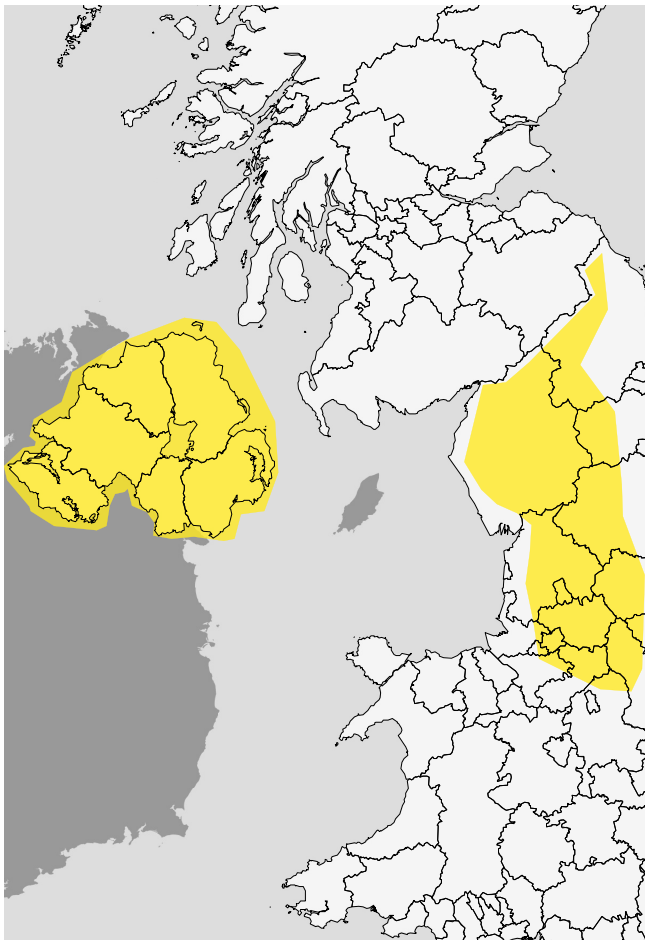
Yellow warning
Snow & Ice

Between
00:00 Wed 12 Feb 2020 and
12:00 Wed 12 Feb 2020



Further snow showers and icy surfaces may lead to travel disruption.

What to expect

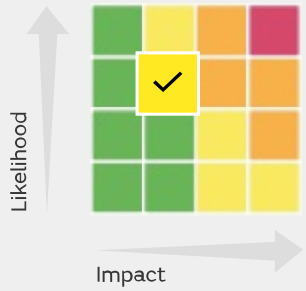
- Some roads and railways likely to be affected with longer journey times by road, bus and train services
- Some injuries from slips and falls on icy surfaces
- Probably some icy patches on some untreated roads, pavements and cycle paths

Further details

Further snow showers are likely on Wednesday morning. These are likely to lead to further accumulations of a few cm of snow over ground above around 150 metres. Any snow accumulations over lower ground are likely to be temporary. Icy surfaces will be an additional hazard.

Reason for update

The warning area has now been limited to N England and Northern Ireland with another warning abutting this for much of Scotland



Medium likelihood of low impacts
